ORDER

It is ORDERED that the motion to dismiss (doc. no. 13) is denied without prejudice and the objection (doc. no. 13) is overruled without prejudice. The court believes that the issues raised by the motion and the objection would be better addressed if and when the plaintiffs file a motion for class certification. Until that time, the court does not consider the issue properly before it.

DONE, this the 11th day of January, 2007.
